Your Care is Our Calling | Living the Quaker Tradition

Where Does the Money Go?

This fundraiser will directly benefit the Hospice and Memory Care Services at Chandler Hall.

Chandler Hall is a non-profit Quaker-based continuing care senior living community and has been operating in Newtown for the past 50 years. We strive to provide our residents with the best environment, the latest treatments, and quality care. All the funds donated this evening will be used to expand Chandler Hall's Hospice Program to enhance our Memory Care materials and provide new experiences for our residents.

Our **Joint Commission Accredited Hospice Program** provides holistic, personalized care to patients wherever "home" is for your loved one. Hospice can be provided in your home or any skilled care facility, memory care unit, or personal care facility. Our patients receive an interdisciplinary support team to help guide them through this difficult time. Because of this fundraiser, we will be able to design dedicated in-patient Hospice care rooms in our Skilled Nursing Facility.

Our **Memory Care Program** centers our care on the needs of each individual, finding the best ways to connect with them through personal interactions. We provide encouragement, adapt to our residents' changing needs, and empower them to continue connecting with staff, family, and other residents. Through this fundraising event, we will be able to buy additional materials and programs - things that we can use to help our residents thrive in a safe and secure environment.

We thank you for participating today. If you are interested in learning more about Chandler Hall, please call 215-860-4000 and ask for the admissions department or visit our website: chandlerhallhealthservices.org.

A Night of Compassion and Community Support

Rotary's Mission and Event Selection

Rotary envisions a world where people unite to take action and create lasting change. The selection of Chandler Hall's hospice and memory care programs aligns with Newtown Rotary Club's dedication to addressing critical needs and making a positive impact. Tonight, we rally behind a cause that mirrors Rotary's values of compassion, community service, and the pursuit of meaningful change for the betterment of society.

We extend our sincere gratitude for your presence tonight. Chandler Hall, a cherished nonprofit, has been steadfast in providing compassionate care to those facing challenges. Their hospice and memory care programs, indispensable lifelines, offer solace and support to individuals navigating unique and often difficult circumstances. Your support tonight significantly contributes to the sustainability of these vital programs.

Throughout the evening, we invite you to explore the silent art auction, featuring curated works by the Rural Artist. A percentage of the sale proceeds directly benefit Chandler Hall's programs. Peruse the display of sports memorabilia and unforgettable vacations, available for purchase, providing additional avenues for contributing to the cause.

As the night unfolds with music, entertainment, and casino-themed fun by our own Andrew Neville, relish the joy of coming together for a shared purpose. Your support and participation tonight, in true Rotary spirit, create positive change in the lives of those who need it most. Thank you.

With heartfelt gratitude,
Your Newtown Rotary Club
